Getting Started: Identifying Funding Opportunities with Jefferson Resources  
Facilitators: Gar Kaplan and Molly Gerber  
Date: Wednesday, October 5  
Time: 8:00 – 9:00 am  
Location: SML 200A

Wondering how to fund your next project? Numerous opportunities are offered by non-federal funding organizations, such as disease-specific associations and foundations, to get your concept off the ground.

Mobile Presenting Tips & Tricks  
Facilitators: Kathleen Day & Sean Dyer  
Date: Thursday, October 6  
Time: 11:00 am – 12:00 pm  
Location: SML 306

Sharing images, video and other content on the fly is becoming easier and easier to do with consumer tools, and select campus classrooms have been equipped with Apple TV to help this real-time sharing. This workshop will demonstrate various tools and techniques for sharing with a mobile or personal device in real time and introduce participants to more advanced tools that can be used for sharing screen recordings.

Electronic Portfolios for Academic Programs and Career Success  
Facilitator: Anthony Frisby  
Date: Monday, October 10  
Time: 11:00 am – 12:00 pm  
Location: SML 200A

The fields of art, architecture and engineering have long used portfolio’s as a way for both students – and professionals – to show case their work. Not unexpectedly, these physical portfolios have found their way onto the digital world and are often called e-portfolios. Whether physical or electronic this tool for show casing a person's skills and experience is valuable. Both to the learner as evidence of their accomplishments and as a tool to help them stand out as a better candidate in the hiring process. Portfolios can also play an important role in the professional development of a student. Specific course projects that meet academic objectives can be reflected on, solidifying the students understanding of concepts and the skills they've mastered.

Systematic Reviews  
Facilitators: Pat Wynne & Ben Lieby  
Date: Thursday, October 13  
Time: 1:00 – 2:00  
Location: SML 200A

Are you thinking about creating a systematic review? Librarians at Scott Library, along with Ben Leiby, Director for the Division of Biostatistics with the Department of Pharmacology and Experimental Therapeutics, will inform you about the process.

To Record or Not to Record: A Session on When, Why and How to Integrate Video Content  
Facilitator: Mary Gozza-Cohen  
Date: Tuesday, October 18  
Time: 9:00 – 10:30 am  
Location: SML 307

Understanding the student benefits of instructor-recorded video content will be discussed. Equally as important is the understanding of when to do so – just because we can, doesn’t mean we should. During this session, we will also explore tools that are user-friendly and freely available for use in our courses.

Nearpod Audience Response System  
Facilitator: Edward Everett  
Date: Tuesday, October 25  
Time: 9:00 – 10:30 am  
Location: SML 307

Nearpod is the CTL’s new audience response system that allows instructors to share content and assessments in real time with students using their personal and mobile devices. Push quizzes, polls, videos, web links, slide shows, and homework to your students easily in a manner and appealing multi-media platform that keeps students engaged and active.

High Impact Publishing  
Facilitators: Dan Kipnis & Jennifer Wilson  
Date: Wednesday, October 26  
Time: 10:00- 11:00  
Location: JAH M13

Academic publishing is undergoing a dramatic shift as journals become more specialized and the number of publishing outlets surge. Understanding the publishing world and its potential impact on one’s career can be confusing and mysterious. This workshop provides an introduction to academic publishing by exploring the metrics and tools used to determine “impact.” Facilitators will explore the concept of “high impact” publishing, discuss two tools for assessing a journals impact factor, and discuss the evolution of academic publishing, including predatory publishing practices and open access journals.
